The weight capacity for the ramps is TBC. The Guild Chapel is level throughout.

Ramps can either be requested from Guild Chapel volunteers upon arrival or by telephone in advance. If you require ramped access and wish to ensure it is available for your visit then please contact us on 01789 207111.

Visiting first thing in the morning or later in the afternoon is often quieter. Please contact us if you would like to discuss your visit so that we can understand your needs and expectations and help you get the most out of your visit.
